

## EXAM RESULTS

Many congratulations to all the students and staff who worked together to achieve excellent exam results this year.

### A Level

The pass rate was 99.7%, beating all previous high watermarks. 137 students took A2 level exams, with 54.5% of all entries at the top A\*/A/B grades.

12 students gained at least 3A grades. Top student Jenny Sterry gained 1 Grade A\*, 3 Grade A's and a B, as well as an A in an AS level. 8% of all grades were the new A\* level. In order to achieve this level, students had to gain a grade A over their AS and A2 and also achieve over 90% in their final A2 exams.

3 students won Oxbridge places. Alex Smith is reading Chemistry at Oxford, Jack Baxter is reading Medicine and Katherine Shepherd, Natural Sciences, both at Cambridge.

### AS Level

AS level forms a bridge between GCSE and A2, and so we were very pleased with this year's results. 92% of entries passed, with 45% at A/B level. This is particularly good when viewed against the ALIS predictions from a national database which predicted just 29% of grade A and B's for this year group. 16 students gained at least 3 A's with particular congratulations to Tom Ashby, Ella Baldwin, Kate Pope and Henry Tozer who achieved 4A's and a B.

## GCSE

This year we set a new record for the number of students gaining at least 5A\*-C GCSEs. 85% of the year group achieved this, comfortably beating last year's figure of 78%. Over 27% of the grades were at A\* or A and 83% of all entries gained A\*-C grades. 64% of students gained 5A\*-C including English & Maths, showing considerable progress since this year group entered College with the lowest average Maths scores for some years. 29 students gained at least 9 GCSEs at A\* or A. Among top performing students this year were Oliver Rake who gained 11A\* and 3 A grades and Emma Andrews, Tom Ballentine, Katie Hammett, Georgia Lubrani, Oliver Naylor, Bethany Walker, Holly Wildish-Jones and Adam Wright who each gained 12 A\*/A grades.
