

## Audio Books

We have just invested in a few Audio books, mainly for students (do come and look through the titles) but wish to purchase some for staff also. The Girl with the dragon tattoo trilogy is our first adult investment, so we are looking forward to hearing your suggestions and requests

## An eBook!

The library is the proud owner of a Kindle and we would like to share it with you. If you

wish to borrow it at anytime, do come and ask us and it will be yours for a while. All we ask is that anything you download, please leave on. It has many of the Classics already, so do come along and check it out

**A Frog went to the library and asked a librarian to recommend a book.**

**'How about Toad of Toad Hall,' she suggested.**

**'Reddit, reddit,' said the Frog.**

## World Book Day

WBD was celeb rated in the library with a non-stop reading session throughout lunch time with students and staff reading extracts from their favourite books. The quality of reading was amazing but the quantity of people was a little lacking! Thank you to everyone who came along. ALSO, a whole tutor group quiz was held to celebrate the day with tutor groups being asked who was their favourite author and why. 14 groups submitted their answers and the winning Tutor Group was 7CT who were given a tin of quality street and the runner up was 9HG again being given a sweet prize. The winners were selected by the language department. Thank you to all Tutor groups that entered

## Harry Potter

We have had a lot of fun organising the Harry Potter Quiz. 14 teams entered for the elimination rounds from various years. Audience participation questions are being asked between rounds with Fredo Frogs as prizes, so if that appeals, do come along! We are down to 8 teams battling it out in the quarter finals with a little controversy thrown in, mainly from teams consisting of members of staff! There are now 3 staff teams left and 5, 6<sup>th</sup> form teams. Hopefully the grand finale will be held in the hall and would love as much support from staff as possible, so if you like dressing up, come along and see us!!

We would like to say a big Thank You to all staff who help make the happenings in the library memorable! Once Harry Potter has run its course, we will be launching our next Friday lunch time initiative and we couldn't do this without a number of you giving up your lunch breaks to help, often making fools of yourselves in the process (sorry if you didn't realise!) but doing it anyway!

We all love that book smell – walk along the shelves, open a book to a certain page where “poof” you get that unmistakable whiff of paper, dust, glue and something else...mmmm, library.

For those of you who want to have that smell stay with you all day long, check out this new Perfume called, [In the Library](http://www.cbihateperfume.com/in-the-library). Something to put on your Christmas list!
