

Dear Parents

What's On.....

Kingsbridge Community College

This is always a very busy time of year with many events that showcase the students' talent.

We look forward to seeing you at the following:

- Smarts Drama Group: Friday 26th June in DRI**
Join our Saturday Arts Drama group at a performance of a piece they have devised themselves: It is entitled 'In Ur Face' and starts at 6pm. Free entry but retiring donations welcome.
- Photography Exhibition, Sixth Form Centre: Monday, 29th June to Wednesday, 8th July inclusive**
Take the opportunity to visit the College at any time during the day and view the stunning work of the Sixth Form Photography students
- Art Exhibition: Main Hall Tuesday, 7th July - Preview 6-8pm, Wednesday 8th July 9am -7pm**
Our annual Exhibition showcasing work in a whole variety of Media from students across the College.
- Celebration of Talent Evening: Friday, 3rd July, 7.30pm**
Featuring acts from talented students across year groups. Tickets on sale at £3 each from Reception with all proceeds from the evening going to Adumasa.
- Summer Soiree and Concert: Thursday, 9th July, 6pm onwards**
BBQ and Music! We are repeating the format of last year's hugely successful evening. There will be a variety of musical performances in the Sixth Form Lounge and the PTFA will be running a BBQ and bar on the patio outside. Free entry! Rain or shine, don't miss this wonderful evening of food and entertainment.

I hope to see you there!
Roger Pope

**Roger Pope
Principal**

Geographers on Location

All Year 10 Geographers have been out for a day's field work visiting Torcross, Modbury and Cadover Bridge on Dartmoor so that they could cover coastal, urban and physical geography all in one day.

Next week the Geography Department is taking all Year 9's for the annual beach clean and survey. Not only does this encourage students with their community involvement, it also contributes a lot to helping with conservation as the results are used to help monitor the state of the seas around our coast. Many thanks to the staff for making these events possible.

Marine Challenge

Year 7 and Year 8 students are taking part in this year's Marine Challenge to design and manufacture the fastest and most efficient solar powered craft possible. Good luck to them in the final race!

Top of the Class

Congratulations to Mr Snell and Mrs Barton who picked up Distinctions at the SW Regional Finals of the Teaching Awards for Outstanding New Teacher and Teaching Assistant of the year respectively. A very well deserved accolade to two excellent members of staff.

Year 8 Top the Tor

Once again all the Year 8 students went off on a pilgrimage to Glastonbury. They visited Glastonbury Abbey and learnt about the way of life there up to its dissolution in the 16th century. They continued their pilgrimage to the top of the Tor where they had the opportunity to join together in meditation on the spiritual uniqueness of this very special place.

AWARDS

PRINCIPAL AWARDS

Antony Warden	7PT
George Durdey	7JM
James Knight	7JM
Samuel Carson	7JM
Jordian Fink	7WD

Katy Fothergill	11MR
Emily Bricknell	11MR
Josie Kerr	10WK
Stephen Dixon	10WK
Charlotte Hodgson	10WK
Vicky Camp	10JS

HPV Vaccination for girls

The first date for the HPV vaccination will be on Thursday 10th September. Appointment times will be sent to the tutor groups at the beginning of that week. Thank you. Mrs Fish, Student Services.

International Fun

Friday, 26th June sees our first international "It's A Knock-Out" day. Students from across the years will be competing for different teams and countries and taking part in an amazing variety of activities throughout the afternoon including an orienteering course, apple bobbing, three-legged race and water-based activities. Spot the teacher who will be the 'joker' for the afternoon! Students have been asked to design materials (banners, flags, etc) for the countries they are supporting and there will be prizes for the best decked out country and for the winners of individual events.

Term Dates:

Summer Term:

20th April to 17th July 2009

Autumn Term:

2nd September to 18th December 2009

Autumn half term:

23rd—30th October 2009

The Core

Our new series of Arts Workshops - The Core programme - is proving hugely successful. There are two more events before the end of term:

Monday, 22nd June: 5.30-7.30pm Silver wire work in the Art Department. Have a go at making semi-precious wire jewellery.

Monday, 6th July: 4.30-6.00pm African Drumming with Tribal Vibes: Learn African rhythms with 3 master drummers from Senegal in DRI. We are heavily subsidising these workshops so the cost is only £2 each. Sign up on the list outside the Drama office to reserve your place now.

Design Excellence

Do pop into the foyer and see the exhibition of GCSE and A Level design work. There are stunning pieces that have been made in Resistant Materials, Graphics and Textiles.
