October 2010

Dear Parent/Guardian,

YEAR 10 WORK EXPERIENCE 18 – 22 July 2011

Your son/daughter will be taking part in our Year 10 Work Experience Programme during the week Monday 18 – Friday 22 July 2011.

Year 10 students have had a Work Experience Presentation at College, to explain what is involved. I am now sending out the enclosed booklet for your information and retention, plus **green and pink forms to complete and return to your son/daughter's Tutor by Friday 3 December 2010.**

You may wonder why we need to begin the Work Experience Programme so early. There are many reasons an early start to the process is essential, not least of which is that competition for placements from other Colleges and Universities is high.

In order to make this a worthwhile experience for your son/daughter, your involvement is greatly appreciated. Even if your son/daughter does not know what they would like to do, please complete and return the enclosed paperwork.

There will be a Work Experience stand at the Year 10 Parents Evening giving you an opportunity to talk over any concerns you may have.

Thank you for your continued support.

Yours faithfully,

Karen Arscott

Work Experience Co-ordinator
